

Course grading scheme: CS 206 Summer 2018
Instructor: Abhishek Bhrushundi

The following are the main components of the course along with their weightage:

- Homeworks (about 6-7): 25%
- Quizzes (about 2-3): 20%
- Midterm (there is only one): 20%
- Final exam: 35%

We will use curved grading to assign the final grades.
